The Symposium is organized with the focus of bringing together Hungarian scientists from any country working on computational intelligence and its applications with the aims at providing an opportunity for sharing and discussing the recent research developments in this field.

The idea is to have a small number of lecturers and participants in a relaxed and informal atmosphere.

Venue

The Symposium will be held in building of Budapest Tech (1034 Budapest, Doberdó út. 6, Room 103).

Language

The official languages of the Symposium are English and Hungarian. All the camera-ready manuscripts should be submitted in English, the presentations can be made either in English or in Hungarian

Submission of Papers

There are invited and regular papers. The authors of regular paper asked to submit a full paper, including affiliation to Anikó Szakál (szakal@bmf.hu).
