

Privacy Policy

We respect your privacy. We want to ensure that you get the information, content, and experiences that matter most to you. IEEE is committed to protecting the privacy of its members, customers, volunteers, and other contacts.

Scope

This privacy policy applies to all personal data processed by our organization team when acting on behalf of IEEE Hungary Section jointly Óbuda University, contractors and partners doing business on behalf of us, as well as all legal entities, all operating locations in all countries, and all business processes conducted by IEEE HS.

Information collected

What information do we collect?

We collect the following personal data in line with the use purposes explained in a subsequent section:

- Your name and
- your e-mail account

How do we use your information?

We use your personal information for the following purposes:

To inform you about conferences. We would like to keep you informed about our IEEE-sponsored conferences, symposia and events organized by our scientific team. This may include information about the event's content, event logistics, payment, updates, and additional information related to the event. Information you provide when registering for or participating in a conference managed or co-sponsored by parties, other than or in addition to IEEE may be shared with those parties, and the treatment of such information is further subject to the privacy policies of those parties. IEEE and its conference co-sponsors may contact you after the event about the event, subsequent iterations of the event and related events. Please note that IEEE conference, meeting or event organizers, co-sponsors, exhibitors, and other third parties may directly request your personal information at their conference booths or presentations. Providing your information to them is optional, and you should review their privacy policies to address your particular needs and concerns about how they will treat your personal information.

To provide you news about Acta Polytechnica Hungarica. We are proud of our scientific journal which gained IF 0.909 according to the JCR list.

To get feedback or input from you. In order to deliver products and services of most interest to our customers, from time to time, we may ask members, customers, volunteers, and website visitors to provide us input and feedback (for example through surveys, usability studies, focus groups).

How can you control your information?

You can control the information we have about you and how we use it in several ways.

Logging practices

We do not record the Internet Protocol (IP) addresses of visitors.

Responses to legal requests

We reserve the right to share your information to respond to duly authorized information requests of governmental authorities or where required by law.

Your European Union privacy rights

Under the General Data Protection Regulation (Regulation EU 2016/679) (also known as GDPR), if you are an individual protected by the GDPR you may have certain rights as a data subject. To request information about or avail yourself of those rights, please send an email to privacy@ieee.org with "GDPR Request" in the subject line. In the email please describe, with specificity, the GDPR right you are requesting assistance with. Please note additional information may be requested prior to initiation of a request and that we reserve the right to charge a fee with respect to certain requests. Upon IEEE's completion of its review you will be notified if your request has been granted, denied, or exemptions apply.
